EUROPEAN UNIVERSITY

UNIC is an alliance of ten universities in post-industrial cities across Europe, built for inclusion and transformative societal impact

THE UNIVERSITY OF THE FUTURE WHAT UNIC OFFERS

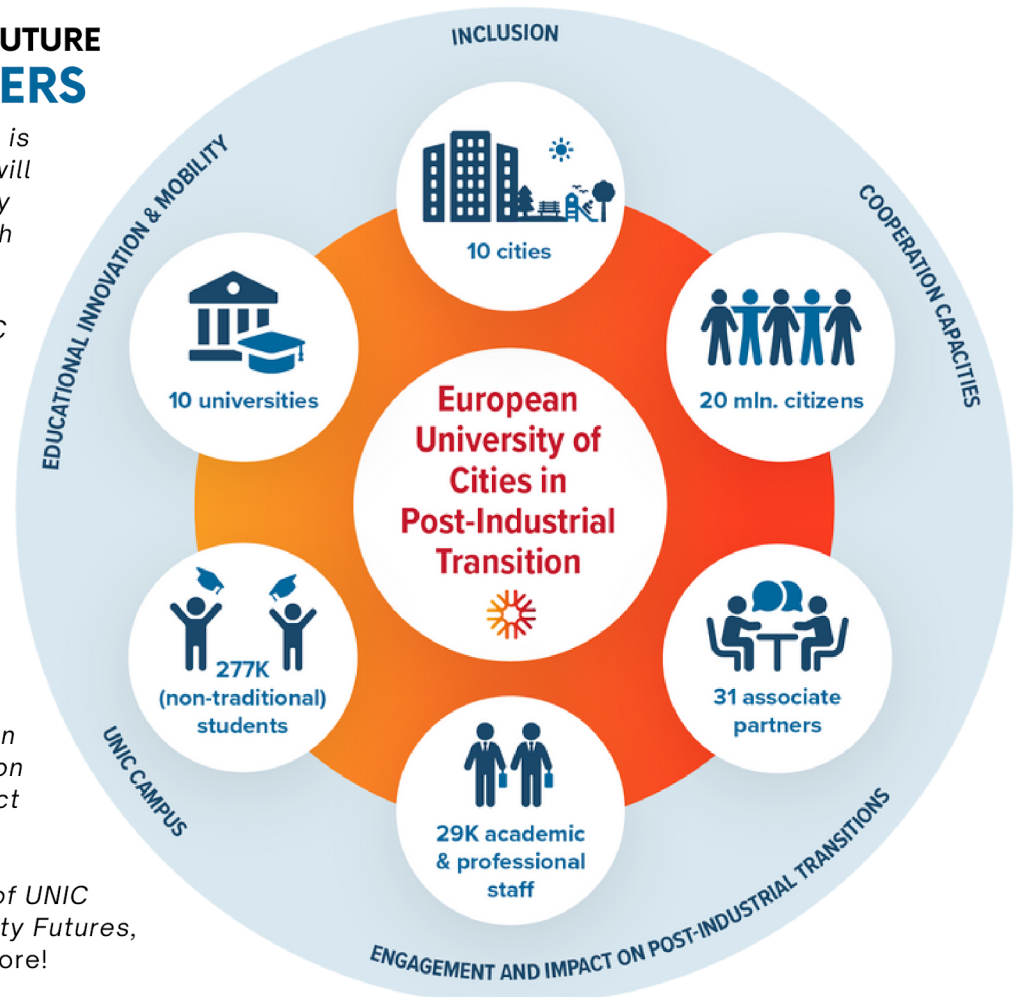

For students: the UNIC alliance is building a virtual campus that will host micro-credentials, mobility offers, PhDs and other research programmes, and internships.

For staff and researchers: UNIC offers seed funding, grants, job shadowing offers, and participation in impactful communities of practice.

CO-CREATION UNIC'S MODEL

UNIC is building a European collaborative model, one that aims to boost development of knowledge and spur co-creation through collaboration, innovation and inclusion for societal impact and improvement.

Join our community to be part of UNIC initiatives like the Center for City Futures, Superdiversity Academy and more!

UNIC BOOSTS MOBILITY + DIVERSITY

UNIC builds inter-university collaboration to create joint courses and boost opportunities for exchange

UNIC PROMOTES INCLUSIVITY

UNIC initiatives and research help shape connective, inclusive, and sustainable policies within our universities

UNIC INNOVATES TEACHING + LEARNING

UNIC builds communities of researchers, educators and students working towards the future of education
